It is important for you to do this simple Step One and Step Two process because someone will be contacting your "Warm Market" and others before you do.

Step One:

Send a "Coming out letter, text or email or voice message" to all of your warm market (people who know you). This can also be sent to lists of other people as well. Don't do a blast, do this one at a time followed with a message to their answer machine.

This Step One is 'Google Search Proof' so they must call you for more information.

Subject: (your name) sending you an important announcement (to prospects name)

Hi (prospects name)

I left you a voice message as well.

Please let me know when you receive this message. (your name and phone)
